VIDEO®

A tribute barrel to the **11 Best Craftsmen of France** trained by the cooperage! Hand-picked **extra-tight grain**, a **gold foil** laid by hand on the top head, Video represents our vision of cooperage: high-end, elegant, precise.

-  White and red grape varieties
-  Butter and vanilla aromas, round and smooth
-  Ageing periods: 11 months and more
-  Available in 225, 228 and 300 L only

ALTO

The Video® little brother, initially launched in 2015 in limited edition under the name "60", to **celebrate the 60th anniversary of the cooperage**. Largely appreciated on our French and export markets, we have decided to integrate it in our Exceptional Range, renaming it Alto. **Just like Video®, Alto is made with extra-tight grains**. Recommended for structured wines, it will reveal the typicity and character of your grapes.

-  Red grape varieties
-  Structure, authenticity, length
-  Ageing periods: 11 months and more
-  Available in 225, 228 and 300 L only

HEXAGONE COLLECTION

With the Hexagone Collection, we want to **take you on a journey to make you discover the most prestigious forests in France**. Each year, we'll introduce a new barrel from a new forest, a **barrel numbered and in limited edition**, so you can introduce an innovating and original product into your winery. A new prestigious receptacle that will bring to light the French forests, and your wine! Due to the scarcity of the oaks chosen, the Hexagone barrels are only available in 228 L. Please get in touch with your usual sales rep who will tell you about the current / next barrel available.

Our Tour de France of the French forests starts in 2018, are you ready to come onboard?

-  Collectible barrels
-  228 L, exceptional and numbered barrels
-  A new forest every year
